2014 Under 11 season review

A squad of 13 contributed to what was a very encouraging season for the U11's. In total we played 12 games winning 5 and losing 7. It was always going to be a transitional year having lost the bulk of the squad from the previous year but the U11's exceeded expectations with some excellent performances.

As far as batting is concerned everyone made an effort to play straight and hit the bad ball. We lost 40 wickets though and probably didn't score enough runs overall but that will come as the team get stronger and more experienced. Rory Jones and Jacob Warwick scored over 50 runs each, Jack Riley, 38 and Oli Clark won the averages scoring 44 runs. Calling and running between the wickets was mixed but there were signs of improvement towards the end of the season.

Bowling was perhaps the most encouraging aspect of the season. Captain Josh Melling lead from the front bowling 32 overs and picking up 7 wickets. Josh was well backed up by the rest of the attack, with Rory Jones winning the averages by bowling full and straight to register season figures of 22-7-73-7. As a unit though they all consistently delivered line and length bowling and picked up 39 wickets in 12 matches. Madeleine Atkinson deserves real credit for picking up 6 wickets when always bowling against either the first or last pairing. She bowled with good pace, and consistently moved the ball away from the right handers.

Fielding was encouraging and improved as the season progressed and there was a great team spirit throughout

Overall they have had a great year. They have been well supported by excellent coaching and encouragement from John, Darren, Liam and Mark.
