Oli Clark was the only batsman to top the 100 runs for the season having a very good year with 134 runs at an impressive average of 67.00 His two 18*s were the top individual scores of the season.

He was ably backed up by good performances from William Hopkins(68) Fynn Lumley (77), and Owen harwood (68) who all scored more than 50 runs in the season. Oli Armstrong and Owen Archbold should be commended for their defensive play being the only two batsmen to play more than ten innings and not lose their wickets. Five players had innings that saw them score double figures and five batsmen averaged double figures too.

Fielding is such an important aspect of Junior cricket and a skilful wicket keeper is essential. We probably had the best one in the league in Oli Clark. He took 20 stumpings and four catches.

Dan de la Motte had the safest hands with 6 fielding catches to his name while Fynn Lumley took three spectacular ones!

Altogether we managed 15 outfield catches.

We used 19 players over the season. Well done to all and thanks to Martin and Tom for their work with the side.
