Many thanks to Ian Butterfield for the completed averages for the Under 13s and to everyone connected with this side

The players in the under 13s have worked hard over the season and enjoyed their coaching sessions with Liam Coates and again thanks are due to him.

Over the season we have done really well topping group B in the Lowery Cup and finishing mid table in the Northern section of the league.

There have been many notable performances over the season, many captured on camera by Anth Thorpe. We had four batsmen who topped the hundred runs for the season mark in Jonny, Bobby, Chris and Leo. Jonny and Bobby share the batting with an equal average of 66:00

Ryan, Sam and Drew all took ten or more wickets with Ryan just topping the averages with 3:00

Several of our under 13s have progressed this year and moved into senior cricket. Some have been playing with D and D league clubs and others have made their debuts in Darlington third team. Don't worry if this hasn't happened for you yet as all players develop at different paces. Who knows? 2015 could be your year.

Well done all our squad of players and our team of willing helpers and parents.
