First, an apology to Mike Hatch for forgetting to mention his hat trick against Synthronia last year. His figures in that match were 7-43.

Now to this season. I prefer to forget from mid-August onwards. Before that - good weather; good results; in the hunt for the league title. We even won the toss on one or two occasions, a particular problem this year. Then came that awful run of games - I cannot remember anything like it in 16 years - which meant that, like last year, we finally finished 4th.

In the league there were 6 partnerships over 100, 3 for the 2nd wicket, 1 for the 3rd and 2 for the 4th. There were also 17 others more than 50. 3 each for the 1st and 5th wickets, 6 for the 2nd, 1 for the 3rd and 2 each for the 4th and 6th.

Darlington lost all 10 wickets in 3 matches but took all 10 in 6. On 3 occasions we did not get any batting points but always managed at least one bowling. Whilst we totalled 335 points the opposition managed 259.

Neil Riddell came closest to scoring 1000 league runs and but for injury which prevented him from playing in the last 5 matches would surely have done so.

Tony Gray, John Johnston and I have been to all league and cup matches. Nobody else played in all league games but Jim Haggie appeared in all cup matches. The total playing time was 175 hours 57 minutes.

Finally, my own ego-supporting statistics. I recorded 18,476 balls, 3039.5 overs, 597 maidens, 10,941 runs from the bat, 252 byes, 470 leg byes, 77 wides scoring 79 runs, 154 no balls scoring 118 extras, 498 wickets, 100 5 fours and 103 sixes.
