UNDER 17'S REPORT 2016

The under 17s under the manager ship of Garry Moody continued to improve in 2016. The addition of Toby Lush, Ben Cardwell and Adam l'Anson had a great impact on the side as a whole.

We won three games, drew one and lost five finishing in 7th place out of ten teams in the north section of the Reserve League (Under 17s)

Once again the exam period affected our ability to field our strongest sides on a regular basis and also several of our squad had school sporting commitments which also had an affect of selection. Thanks must go to the younger players who stepped in to help us field full sides.

Toby was the top batsman scoring 91 runs from his three innings and Ben led the bowling with four wickets. Many of the squad played senior cricket this year also.
