This year, in the league, there were two partnerships over 100, one for the 1st wicket and one for the 5th. There were also 4 1st wicket partnerships over 50, 8 2nd wicket, 3 3rd wicket and 1 each for the 6th and 4th wickets.

Darlington were all out 6 times but took 10 opposition wickets on 12 occasions, 7 of them for less than 100 runs. In a further 5 matches the opposition lost 9 wickets. In 3 matches the whole game was over before tea.

No team gained 4 batting bonus points, the highest score being 168 against us and only 3 players made 50. This contrasts with 1 century and 20 50s for Darlington.

One player, Mike Hatch, took part in all league and cup games during the season and Andrew Scott only missed the two cup matches which took place when he was playing for Durham County in the National Westminster Cup.

To complete the statistics (useless variety!) I recorded 19091 balls, 3145.5 overs, 621 maidens, 9791 runs from the bat, 224 byes, 405 leg byes, 60 wides scoring 68 runs, 143 no balls scoring 121 extras, 614 wickets, 925 fours and 85 sixes. This is, of course, for Darlington and the opposition in both league and cup but does not include the two matches in which Gerald Cawson put pens to paper for me.

Not including tea, the interval between innings or even just waiting for the rain to stop, the total time for playing was 185 hours 4 minutes.
