Again a successful season. In only one league match did we concede more points than we gained and there were 5 matches when we won by 10 wickets, 2 by 9 wickets and 1 by 8 wickets. In the only match that Darlington lost all their wickets we still managed to win by 1 run. On 6 occasions the game was over before the last 20 overs were due to be called. Whilst amassing 403 points the opposition totalled 122.

This year there was one opening partnership over 200, six over 100 — 3 1st wicket and 3 2nd wicket — and eighteen over 50 made up of 8 1st wicket, 4 2nd wicket, 1 3rd wicket, 2 each for the 4th and 5th wickets and 1 for the 6th. There were also 9 partnerships more than 50 in cup games: 2 for the 1st wicket, 6 for the 2nd wicket and 1 for the 5th.

Whilst Darlington players scored 2 centuries and 20 half centuries in the league opposition players scored 2 centuries and 6 50s. In cup games there were 5 50s for Darlington and only 2 against.

This is the first year since I started scoring in 1974 that we have lost fewer than 100 league wickets in the season. This is reflected in the averages for the whole side 39.116 to 14.528 a ratio of more than  $2\frac{1}{2}$  to 1 (2.692).

John Lister's 1000th league run came off the 1820th ball he faced. He was the only player to take part in all league and cup matches and the total playing time for these was 157 hours 35 min. This does not include time lost for rain and injury.

My thanks to Arthur Sanders and Simon Black who took over the scoring for me for one cup match each. Amongst us we recorded 16,475 balls, 2,714.5 overs, 504 maidens, 8832 runs off the bat, 222 byes, 409 leg byes, 60 wides scoring 70 runs, 120 no balls scoring 98 extras, 473 wickets, 829 fours and 75 sixes.
