What a good season! Considering the players that were unavailable compared with 1990 it was some achievement to come second in the league and to win both the Austin and Randall Orchard Cups. I wonder what might have happened if we had had more luck with the toss.

In the league there were 5 century partnerships; two for the 4th wicket and one each for the 2nd, 3rd and 5th wickets. In addition, there were 26 others more than 50; 7 for the 1st wicket, 4 for the 2nd, 5 for the 3rd, 2 for the 4th, 3 for the 5th, 3 for the 6th and 2 for the 7th. This surely reflects the depth of batting.

Although we achieved the double over two teams, Northallerton and Synthona, I don't remember any side doing it to us for a long time. Unfortunately, Middlesbrough managed it this year. Otherwise there is not much, statistically, to pick out of the results. On four occasions we had the team batting second down to 4 wickets, and those extra 4 wickets cost us 20 points — we finished 19 behind Redcar! There were also some very close finishes in both league and cup. To pick out just two, of those present, who will forget the final of the Randall Orchard against the R.A. or the league game at Featherbus against Blackhall?

Tony Gray and I are the only two who were at all 188 hours 29 minutes of playing time but Richard Manuel played in all the league games and Gary Moody in all the cups

Off the field my great joy has been the new score board and it has helped in recording 19,832 balls, 3269 overs, 631 maidens, 11,087 runs off the bat, 334 byes, 425 leg byes, 65 wides scoring 72 runs, 149 no balls scoring 120 extras, 559 wickets, 1013 fours and 123 sixes.
