What to pick out about this season? I find it very difficult in the league we managed to do the double against Bishop Auckland and although we avoided it ourselves, it was very close against Norton.

In the league there was only one century partnership — that of 145 for the 1st wicket. There were nineteen others of 50 or more; seven for the 1st wicket, three each for the 2nd, 4th and 5th wickets, two for the 3rd wicket and one for the 6th wicket. Like last year nobody has made an individual century but David de Silva, Mark Cowell and Mark Stainsby have all made more than 500 runs.

Abej Kuruvilla and Simon Antcliffe both took more than 50 wickets, Simon's average being less than 20. The professional would probably have liked some former pitches and, on occasions, former footholds (he managed a century of no balls).

The highlight of the cup competitions was, of course, the final of the Keridge. After a rather weak batting performance the bowlers were terrific, ably supported by magnificent fielding in which everybody played a part I don't think Hartlepool can believe it yet.

This year we managed to get back into the top half of the final league table, 8th, and gained more points than we gave away (317 to 295), but our average runs per wicket is again less than the opposing average, even if only just.

There has only been one wicket-present this year — the SCOT — but Mark Stainsby played in all the league games and Gary Moody and Abej Kuruvilla in all the cup games. The total playing time was 190 hours 1 minute and in that time I recorded 19735 balls, 3233 4 overs, 595 maidens, 10655 runs from the bat, 378 byes, 484 leg byes, 107 wides scoring 120 runs, 222 no balls scoring 166 extras, 543 wickets, 973 fours and 89 sixes.
